**hit the road
in a Hiace!**

SUMMER READY 11 SEATER SOLUTIONS

Are you looking for a lightweight, spacious, and easy-to-maintain fitout? We designed these solutions with rental operators in mind. Toyota Hiace* fitouts that increase seating capacity and seamlessly balance durability, functionality and comfort.

- 1 Tourist 4520 bucket seats:** durable cloth and vinyl seats designed to stay smart and stand up to high-frequency use.
- 2 SmartBoard floor and side linings:** wipe-clean, damage-resistant linings that keep your fleet looking professional longer.
- 3 Automatic step:** easy in-and-out access for every passenger.
- 4 Rear aircon blower:** keeps airflow even and passengers cool – perfect for summer hires.

**these configurations are also available for other vehicle makes/models*
