

The Cause Collective – Mobile Clinic Fitout

The Need

The Cause Collective required a mobile clinic to provide services to remote communities and communities that would struggle to get to a regular GP.

The Solution

A bespoke fitout with flexible spaces that can be used for consultation, treatment and storage.

Features

- Fully lined with cleanable surfaces for hygiene requirements.
- 2 swivel seats and fold-away table for consultations.
- Bench seat/bed with storage areas underneath.
- Custom cupboards with shelving and storage.
- Bench-top workspace.
- Red Arc Power inverter system to convert 12V to 240V.
- Multi plug outlet sockets.
