Elite Storage Systems drawer units are another great modular system for tidy, segregated, compact storage of your tools and equipment. They have a sheet metal carcass with a cut-through design to minimise weight and fitted with various drawer sizes.

#### FEATURES:

- Various sizes of drawer units
- Provided with a flush handle at the front
- All drawer units have an automatic locking system to prevent any sliding out
- Modular Drawer Sizes
- All come with a lightweight anti-slip mat and aluminium divider for tool segregation

#### BENEFITS:

- Excellent modular fit to bespoke your solution
- Free of jutting out parts increasing safety assurance
- Quality assurance and professionalism
- High mechanical resistance reducing damage of tools
- Tools easy to find and access saving time

#### EXTERNAL DIMENSIONS:

##### CABINETS SIZING:

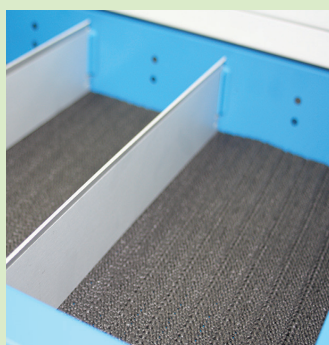

- 507 x 483 | 241 x 353mm
- 760 x 483 | 241 x 353mm
- 1014 x 483 | 241 x 353mm

##### DRAWER HEIGHTS:

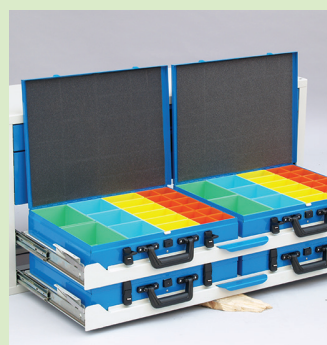

- 66mm, 100mm, 130mm, 200mm
