Elite Storage Systems provides a range of tool boxes of various sizes to effectively store your tools, securely and efficiently. These come with internal modular containers for small parts segregation.

#### FEATURES:

- Metal tool boxes
- Safe, secure storage with double locking system
- Modular fitting into drawer systems
- Variable sizing to suit your application
- Plastic internal cartons to segregate parts in tool box

#### BENEFITS:

- Durable and longer lasting than plastic
- Reduced risk of wasting time with picking up parts from opened tool box while getting to job
- Well stored and easy to access saving time in work space
