MOBILITY  
ENHANCEMENT

Our track fitted wheelchair restraint has been designed to ensure wheelchair occupants are completely safe and secure while being transported. The track fitting option provides easy slot-in, slot-out mounting positioning to increase service efficiency when loading and unloading.

## FEATURES:

- WRTF – 4 track mounted wheelchair restraint
- 4 point retracting wheelchair restraint kit
- x1 occupant seatbelt
- Easy track fitting system
- Plastic coated hooks for durability and protection of the wheelchair
- 160 kg capacity per restraint
- Over shoulder belt integration

## BENEFITS:

- Fast to increase your service efficiency
- Safe and secure assurance – fully Certified to New Zealand Safety Standards
- Full over-shoulder seatbelt integration and higher crash tested weight rating for your full safety assurance

Over shoulder connection

Quick lock install

Quick release locking

Easy ratchet
