MOBILITY
ENHANCEMENT

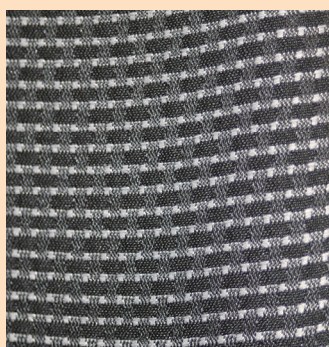

The 3 Seater Rear Facing Multiple Fold up base is designed to be able to maximise passenger capacity and wheelchair capacity. The slim compact design allows the seat base to fold up snug against the back rest. With individual flip-up option you have the flexibility to carry a passenger as well as a wheelchair at the same time. This specialist seat is perfect for all mobility use.

FEATURES:

- Cloth covered durable material
- Seatbelts – x3 lap and diagonal, over shoulder
- Fully Certified to New Zealand Safety Standards
- Multiple flip-up bases with gas stay supports
- x3 headrests
- Compact design

BENEFITS:

- Less cleaning and lower maintenance with durable covering
- Safety assurance with all transport
- Flexibility to increase passenger and wheelchair capacity
- 3 year warranty for your piece of mind

Durable cloth covers

Maximised rear space

Gas stay flip-up support
