

Automotive Installer

Seeking a driven and technically minded Installer to join our awesome automotive team in Wiri!

The Company

We are New Zealand's leading, family-owned, and operated vehicle customisation company. We have honed our success from delivering excellent transformations to passenger, commercial and mobility vehicles. We are known as innovators who work from a solid foundation of product knowledge and real-life experience. Our purpose is to make people's lives easier, safer, and more efficient by transforming vehicles.

The Role

You will be responsible for delivering exceptional service covering bespoke remodels.

Key duties will include:

- Install seating, shelving, racking, protection equipment, canopies in passenger and/or commercial vehicles
- Lining installations
- Light engineering tasks e.g., fitting steel mounting plates to vehicles
- Canopy fitting and water testing
- Quality control inspection of all vehicles
- Inventory and stock control

Skills & Experience Required

- Proven automotive/operational experience (or enjoy being in a hands-on role)
- High attention to detail
- Proactive, able to work autonomously
- Valid Driver's License
- Forklift License (desirable)
- Strong work ethic

The Culture

We are an established, respected Kiwi business and have built a strong reputation in the industry for over 30 years. We are diverse, inclusive, and passionate about delivering reputable, high-quality product to our clients. We would love for you to join our growing team of Transformers!

What you'll get in return

- An opportunity to join a friendly, tight-knit, and supportive team
- On-going training, coaching and development
- Fortnightly team lunch & social club membership

If you meet the requirements above and are interested, please send your CV and Cover Letter to careers@autotransform.co.nz
