

Arrive at your destination feeling safe, relaxed and refreshed.

The VIP Wide 5020 is our premium seating configuration, designed for luxury mini-coaches and taxi-vans, delivering an executive experience like no other. Each seat is ergonomically crafted for ultimate comfort, offering spacious 600mm width, high backs, fold-down tray tables with cup holders, and integrated over-shoulder seatbelts. Additional luxury features include a footrest, folding armrests, and a magazine holder, all tailored to enhance the passenger experience.

Built for durability and practicality, the VIP Wide 5020 is lightweight to reduce fuel consumption without compromising on quality. Its leather-covered faces and easy-to-clean durable plastic backing ensure long-lasting use, while meeting New Zealand Safety Standards for both comfort and safety. Designed to maximise cargo space, it offers versatility for both executive transport and practicality. With a 3-year warranty, the VIP Wide 5020 ensures peace of mind for every journey.
