

Arrive at your destination feeling safe, relaxed and refreshed.

Ideal for luxury mini-coaches and taxi-vans, the Luxury 4800 is ergonomically designed to provide exceptional comfort for discerning passengers. It has a 440mm seat, high back, and tray table and can be reclined. Integrated over-shoulder seatbelts are easy to deploy. Overall weight has been minimised to reduce fuel costs. The leather covered faces and durable plastic backing covered material is long lasting and easy to clean. Safety is assured as it is certified to New Zealand Safety standards with its seatbelt configuration. Its flexible seat configurations allow use for increased space for cargo. It comes with a 3-year warranty for your piece of mind.
