

Arrive at your destination feeling safe, relaxed and refreshed.

Ideal for all types of passenger vehicles, the versatile Suburban 4500 seating configuration is engineered to deliver safety, durability, and comfort. Designed specifically to meet the needs of smaller passenger transport, the Suburban 4500 offers enhanced safety and style similar to its 4520 counterpart but with a lower back and headrests, improving visibility in compact vehicles. It's design is tailored to ensure maximum comfort in smaller spaces, making it the perfect fit for a wide range of passenger transport needs.

The vinyl/cloth-covered material is built for long-lasting durability and easy maintenance. Certified to New Zealand Safety Standards, it guarantees both security and peace of mind with its seatbelt configuration. Additionally, its lightweight design helps reduce fuel costs over time. The flexible seating layout also provides increased cargo space. Plus, with a 3-year warranty, you can trust the Suburban 4500 for years of reliable service.
