

Our trade storage system modular shelving units are built to withstand the wear and tear of life on the road.

These shelves are easy to install or we can fit them for you. Made with robust powder-coated steel framing, they're durable and safe. With a place for everything, it's easier to work efficiently and save time. They'll also give your van a smart professional look. The shelves are 2000mm wide with endless storage potential. The modular bins come in a range of sizes and can be connected together to reduce movement and travel noise. Our TS 250 trade storage systems are a perfect solution for you.
