

Take your tour bus to the next level

Our deluxe luggage rack gives your tour bus fitout the wow factor when your customers enter your vehicle. Each luggage rack has an LED light that activates when the door is opened, creating an inviting environment for your passengers. The deluxe luggage rack is also extremely practical as passengers are able to safely stow away small items above their heads, whilst an air conditioning vent in each row can keep them at a comfortable temperature. The luggage rack will take your luxury vehicle to the next level. The luggage rack is suitable for MWB/LWB/ELWB tour buses.
