

Quality In Transportation

Our high-quality, durable side swivel seats are a compact and versatile addition to any vehicle fit-out. Designed with space optimisation in mind, these seats feature a foldable base with lockable swivel mechanism that free up valuable space when not in use—ideal for accommodating wheelchairs, luggage, or varied passenger needs. Their smooth swivel rotation provides easy access and adaptability, making them perfect for dynamic seating plans where flexibility, comfort, and accessibility are key.

FEATURES

- 180 Degree Rotating
- Double Arm Rest
- 3 Point Seat Belt
- Pedestal Compact Side Mount Leg
- Foldable Base with lockable swivel system

Auto Transform Rest Home Fitout

This latest rest home fitout features an internal unloading/loading hoist that has a weight capacity of 350kg. This fitout also has our suburban 4520 cloth covered seats with head rests, three point seat belts and arm rests. This is the ultimate rest home fitout that focuses on safety, ease of use, and time efficiency.
