

Trade System Folding Shelf

Our trade storage system modular shelving units are built to withstand the wear and tear of life on the road. Auto Transform has innovated our all new Tradie System Folding shelf that allows you to maximise your fitout without sacrificing valuable storage space

These shelves are easy to install or we can fit them for you. Made with robust powder-coated steel framing, they're durable and safe. With a place for everything, it's easier to work efficiently and save time. They'll also give your van a smart professional look. These foldable shelves allow you maximise your workspace with its endless storage potential. The modular bins come in a range of sizes and can be connected together to reduce movement and travel noise. You now have the luxury of a tidy storage workstation with the flip up shelves, or large storage potential with lowing the shelves.
