

Our trade storage system modular shelving units are built to withstand the wear and tear of life on the road. Auto Transform has innovated a new laptop mount that seamlessly attaches to our Tradie storage system allowing you to keep in contact with clients and team members at a safe distance

These shelves are easy to install or we can fit them for you. Made with robust powder-coated steel framing, they're durable and safe. With a place for everything, it's easier to work efficiently and save time. They'll also give your van a smart professional look. The shelves are 1000mm wide with endless storage potential. The modular bins come in a range of sizes and can be connected together to reduce movement and travel noise. Our Tradie Storage systems are a perfect solution for you. Act more efficiently and time effective by keeping in contact with customers and team members at all times with our all new laptop mount accessory!
