

Our trade storage system modular shelving units are built to withstand the wear and tear of life on the road. Keep your workspace clean and tidy with Auto Transform's all new Cable holder!

These shelves are easy to install or we can fit them for you. Made with robust powder-coated steel framing, they're durable and safe. With a place for everything, it's easier to work efficiently and save time. They'll also give your van a smart professional look. The shelves are 1000mm wide with endless storage potential. The modular bins come in a range of sizes and can be connected together to reduce movement and travel noise. Our Tradie Storage systems are a perfect solution for you. Tangled up cords and cables are a thing of the past with our all new Tradie System cable holder! Maximise your workspace today!
